

Peckover's Pupil Premium Newsletter

October 2022

Where has this half term gone?!

As we approach the end of the first half term, Autumn is well and truly here. We have been able to pay for breakfast club spaces as well as buy uniform and PE kit for children. We have also helped with payments for school trips. Previously, we did offer support for swimming lessons, however swimming is now completely free for Year 4, 5 and 6 children! We can offer support with paying for swimming kits.

Our Pupil Premium funding this year is being spent on:

- Phonics and developing a Key Stage 2 reading strategy
- Speech and Language therapist
- Developing a whole school writing strategy
- Review the SEND provision and work closely with Meadowgate to support pupils
- Embed our Early Years communication strategy and curriculum
- Tutor delivering interventions
- Free breakfast club for Pupil Premium pupils
- Forest school sessions for Key Stage 1
- Inclusion team to support our families
- Uniform and trip payment support

Miss Pettitt is the lead teacher for Pupil Premium at Peckover School.

If you have any questions, queries, concerns or suggestions, please send Miss Pettitt an email.
